**PRESENT**

Councillors: W. Bundred (Chairman) (in the Chair), S. Richardson, Z. Armstrong, M. Thomlinson and D. Wilson.

**IN ATTENDANCE** – Clerk to the Parish Council  
Councillor J. Mallinson, Carlisle City Council

**MINUTES**

The minute of the Annual Parish Meeting held on 11th May, 2015 was submitted for approval.

**RESOLVED** to approve the minute.

**CHAIRMAN'S REPORT**

Councillor Bundred gave his Chairman's Report as follows:

Sadly my report start with the loss of Councillor Ian Thomas Dixon who died on 10 July 2015. He was a great support to me especially as Superfast Broadband Champion.

I would like to thank the Vice Chairman Sue Richardson for her help especially at the start of the year when the parish council had no clerk.

I would also like to thank Councillor David Wilson for his help to the parish council with Junction 45, Flooding, Tree Planting & Invasive River Bank Weeds.

I would also like to thank the other councillors Parish, County & City for their help & support in the last year.

Last but not least I would like to thank the clerk Allison Riddell for her help & support since she joined us in July 2015.

Kirkandrews on Esk Parish Council can have up to 12 councillors at the moment there are 8. It would be very good if we were able to recruit another 4 councillors.

Issues the parish council has addressed in the last 12 months.

Bus Shelters	one at Greenmill erected two due for erection at Blackbank on 14 May 2016
Power lines	Parish council has opposed the proposed route
Tree Planting	Replanting of the trees plant for Queen's jubilee on the Kettleholm
Highways	Flooding issues on going Lack of communication to parish [street light & signs]
M6 junction 45	On going David Wilson & myself have represented the parish at meetings. It does seem to come down to economics. But how do you put a value on the distress & disruption to local people's lives ?
Greenmill flooding	On going need the ditch outfall to be kept clear under the entrance road to the MOD

Wind turbines on the Solway Moss

Carlisle city Council seems to approve everything the developer want.

I think it is very important the parish council should be represented on any body distributing community grants.

Superfast Broadband          The parish is in phase 2, although nothing has happened yet.

Have attended on behalf of the Parish Council meetings of

Longtown Grants Panel
